Volunteer Release Form

I, _____ understand that becoming a volunteer at APEA (Animal Protection and Education Assoc. Inc) is solely my decision to be a part of the animal rescue process.

I understand that APEA is not responsible for any accidents I may have, APEA is not responsible for any illness that I may get from an animal, or APEA is not responsible for any animal bite or scratch that I may get from handling the animals in rescue.

I understand that APEA is a non profit group of volunteers and I am liable for my own protection, actions and any medical needs that I may incur.

I understand that APEA is an animal rescue that handles all animals that can be wild, feral, or sick, and I am taking responsibility for my own well being when I am volunteering for APEA.

APEA thanks you for becoming a part of our very rewarding group of animal rescuers and protectors.
